THE SILVERSTREAM FOUNDATION

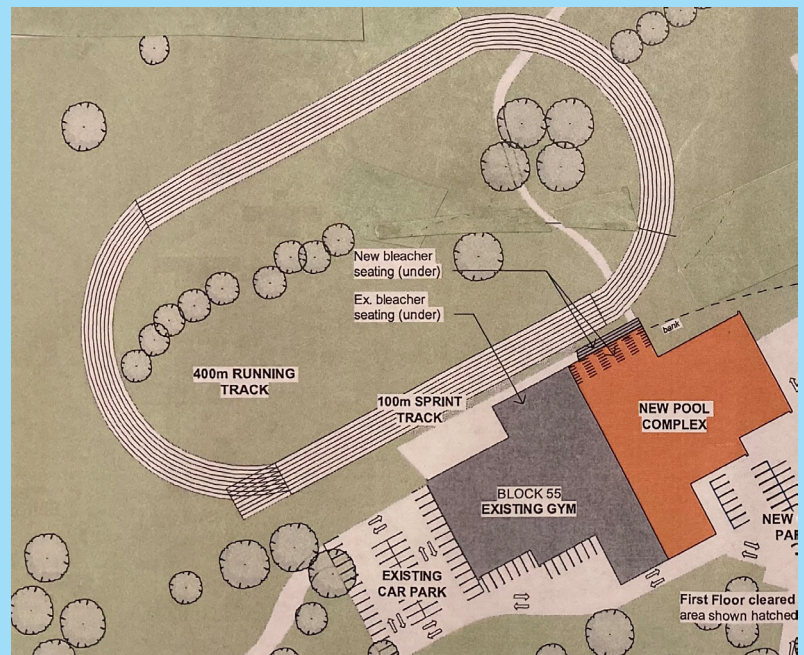

St Patrick's College, Silverstream is a very special place to so many in our community. It has helped shape the hearts and minds of thousands of young men and their families.

- This was our first major project for the Foundation.
- Fr Peter Blake Sm Centre for Physical Education and Sport opened in 2014.

The Sports Hub gives the college a unique facility that will benefit the generations of Silverstream to come.

This Sports Hub, together with the College's boarding and dining facilities, will provide the college with first - class facilities that can be used by the community groups and organisations, generating valuable income for the college.
