Earthquake strengthening on Dowling Block required

Rector Gerard Tully reports that, "In the interests of ensuring all our school buildings are safe the Board of Proprietors recently commissioned a detailed seismic assessment of the Dowling Block, the oldest of our school buildings. The assessment has revealed that a number of parapets around the building do not meet current seismic strength requirements and will need to be strengthened. This is particularly so on the south-east side of the Dowling Block. Although there is no immediate risk, it is possible that during a strong earthquake some of the brick on the parapets could fall.

The College has therefore taken the precaution of erecting fencing to prevent people from standing directly under the areas of concern. The Dowling Block was extensively strengthened in the 1990's so we will continue to use the interior of the

building as normal. We hope to have the parapets strengthened during the April school holidays."

Special thanks to all financial members

The number of financial members continues to grow and the Foundation is very grateful and appreciative to the 111 members who have todate been able to contribute. The Foundation is a registered charity and all donations receive a tax credit for the donor.

E Newsletters

The Foundation is endeavouring to make contact to update our database from postal to email addresses to make communications more economical.

The Foundation has been set up to help our students achieve their full potential in their learning, extra-curricular activities and Catholic formation. We invite Old Boys, parents and friends of the College to join the Foundation and share in the life of our College community.

Chapel's renovations have been completed

The freshly painted chapel exterior

The staff are welcomed into the chapel by Te Tahinga Whaanga-Davies

The Chapel was completed in time to start the new academic year for 2016. The contractors were able to restrengthen the building to bring it up to earthquake code requirements. The roof was replaced and the lengths of the covered ways upgraded to external guttering systems to prevent any leaking. The external building was repainted white replacing the olive green. Internally the only visible sign of renovations has been carpet replacing the cork tiles in the foyer.

Ian McMullin JP (1942-45)

Ian was honoured to be asked to give the Old Boys address at the opening of the Chapel in 1977. In his address Ian brought out the theme of gratitude. "Gratitude to the total Silverstream family, Rectors, Clerical and Lay staff, in those intervening 46 years, Parents, Friends and present Pupils, whose encouragement, loyalty, and financial support have contributed to this

historical day becoming a reality." Throughout his life he has held a deep affection for the Marist priests that help in his formation as a young man during his years at Silverstream. In an interview recently he said he had three loves in his life: Family, Silverstream and Horse racing. His home in Hamilton he welcomed visiting clergy, and he affectly called his home Marian House. He boasted of giving hospitality to seven different Silverstream rectors over the years. He holds both Fr Jack Parker and Fr Gerry Mills as special friends and mentors.

His love of horse racing started while at Silverstream when he slipped out of boarding school and attended his first race meeting at Trentham. His horse Red Crest won 1966 Wellington Cup along with Parlimetary and Waitkins Handicaps and and the runnerup in the 1967 Melbourne Cup. Ian now lives in retirement in Taupo with his wife Patricia.

REUNION 2016

The Foundation is more than happy to help co ordinate Year group reunions. John Watson (1976-80) is currently helping to arrange a 40th for his intake of '76 for Labour Weekend. Please let the Foundation know if you are keen to set the wheels in motion for the intakes of 1957, 67, 77, 87 for 2017. The earlier the planning gets under way the better.

During the Christmas break the maintenance was completed on the dining room roof with the replacement of the tiles.

The new break out room in Kennedy Block was completed with the laying of the carpet tiles. This room is now part of the new teaching and learning space within the college.

The Chapel foyer has had its cork tiles replaced with carpet squares as part of the renovations that have been carried out for the re strengthening and water tightness.

College haka and farewell

He was ordained in the Greenmeadows Chapel by Archbishop O'Shea on the 12th December 1948, and took up his first appointment at St. Bedes in 1949.

Noel joined the staff at Silverstream from 2nd term 1954 to 1963.

Music, English and Sport were high on the agenda during his time here and in 1962 he wrote the words and music to a production called, "The Parted Ways", and another called "The Young Patrick".

Kevin Watson was teaching at Silverstream at this time and became a life long friend of Noels.

His other passion was gardening and once again was prepared to share his knowledge if you were prepared to take it seriously.

Special thanks to Noel's nephew Bernie Atkins (1974) for excerpts from his eulogy.

Rhys Mair 2012-16

Rhys was riding a quad bike on a farm in the Hinakura area, east of Martinborough, when his accident occurred.

Rhys' college friends paid tribute to him at the annual McEvedy Shield athletic competition by wearing armbands.

A banner displayed at the event read: "Rhys, we will never forget you".

Rhys was an active member of the cadet corps, and was shaping up to

be a police officer, he had recently been training at the police college gym in order to meet their fitness test.
